

# **GOLD EVOLUTION Color Hardener**

### **How to Use GOLD EVOLUTION Color Hardener**

Precision-matched COLORED HARDENER for use EXCLUSIVELY with GOLD EVOLUTION EXT adhesives.

#### Important: Pre-Application Testing

Before beginning your installation:

- Shake well / knead the tube before each use.
- Follow directions on the adhesive label.
- A scale is recommended for accuracy and maximum performance.
- Multiple colors of GOLD EVOLUTION Color Hardener can be blended BEFORE adding to the adhesive.
